

Lord Jesus,

You are the Creator of all life. In Your mercy, You knit each child together in the womb and call them by name. We praise You for the beauty of every life You have made and for the privilege of standing in their defense.

As we hold this card in our hands, we are reminded of the countless lives saved through prayer, love, and courageous outreach.

Strengthen our hearts to continue this sacred work. Give boldness to those who stand outside abortion facilities. Give peace to the mothers who are afraid. Raise up strong fathers who protect and serve their families. Give healing to those wounded by abortion and send the Holy Spirit to inspire a generation that will cherish life from its very beginning.

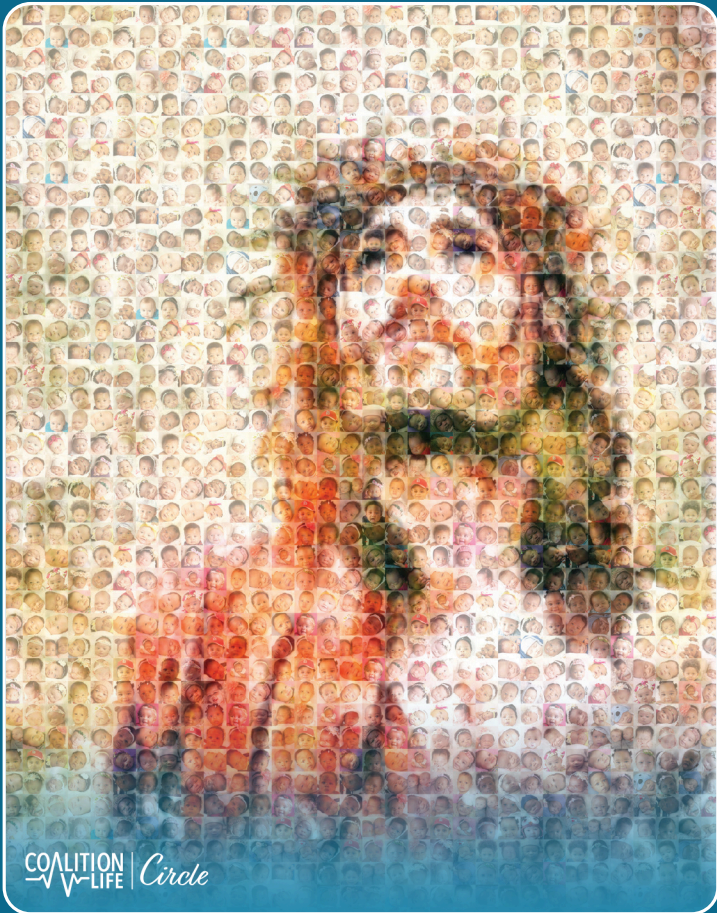

Let our prayers be a light in the darkness, our presence a sign of hope, and our witness is a reflection of Your unending love.

We entrust every child, every parent, and every decision into Your hands. Use us, Lord, to protect the innocent, comfort the hurting, and build a culture of life.

Over the years, Coalition Life's professional sidewalk counseling efforts have resulted in over 4,600 turnarounds and counting outside of abortion facilities across the nation. We have been blessed by the opportunity to meet face to face with 682 of those children who's mother ultimately chose life either out on the sidewalk or inside our pregnancy center. The mosaic image above contains the faces of many of these children.
